

Learning About Foods That Need To Be Cooked Before Eating

Assembly Instructions:

- Print pages 2-12 on card stock paper and laminate. Print pages 13-15 on regular paper for students, these are worksheets.
- The gray  indicates the spot to add **SOFT Velcro**
- Add **HARD Velcro** to the individual pieces from pages 11-12 these will be used to interact with the book.
- Laminate and extra blank 8 $\frac{1}{2}$ x11 page and cut in half lengthwise. Take half of the page and bind using a binding machine and comb or use clear packing tape to attached to the right side of pages 5-6 . This will be the fold out flap to add the pictures used to match for that page. Add a strip of **SOFT Velcro** down the center of the fold out flap then add the pictures to be used on the page.
 - * *note: when adding fold out flaps to individual pages it is better to do this step before binding the whole book.*
- Once all the pages are assembled then bind the book. Use a binding machine and comb if available or use a 3 hole punch and add to a 3 ring binder.
