

Puppy Plays In The Snow

Assembly Instructions:

- Print all pages on card stock paper and laminate.
 - The gray  indicates the spot to add **SOFT Velcro**
 - Add **HARD Velcro** to the individual pieces from pages 15-16 these will be used to interact with the book.
 - Laminate and extra page of card stock and bind using a binding machine and comb or use clear packing tape to attached to the bottom of page 14. This will be the fold out flap to add the pictures used to interact with the book. Add 2 strips of **SOFT Velcro** to the fold out flap page then add the puppy pictures.
- * note: when adding fold out flaps to individual pages it is better to do this step before binding the whole book.*
- Once all the pages are assembled then bind the book. Use a binding machine and comb if available or use a 3 hole punch and add to a 3 ring binder.
