

## Assembly Instructions:

- Print all pages 2-14 on card stock paper and laminate
- The gray ● indicates the spot to add **SOFT Velcro**
- Add **HARD Velcro** to the individual pieces from pages 13-14 these will be used to interact with the book.
- Laminate an additional blank piece of card stock to add a fold out page to be attached to the last page of the book. add **SOFT Velcro** to make at least 2 columns on the page to 'house' the removable pieces.
- \* *note: when adding fold out flaps to individual pages it is better to do this step before binding the whole book.*
- Once all the pages are assembled then bind the book. Use a binding machine and comb if available or use a 3 hole punch and add to a 3 ring binder.
- Read Instructions on page 15 for pages 15-17.
- Pages 18-19 are worksheets and should be printed on regular paper.
